PART II—Section 2.

NOTIFICATIONS BY GOVERNMENT.

DEVELOPMENT SECRETARIAT.

No. D. 4565—*I. & C.* 10-29-8, *dated 28th October* 1930.

The appended draft Rules framed under the provisions of Section 12 of the Regulation to provide for the better regulation of Cotton Ginning and Cotton Pressing Factories (VI of 1929) are hereby published for the information of the public. Objections or suggestions, if any, regarding the draft Rules may be sent to the undersigned within three months from the date of the publication of this Notification in the Gazette.

By Order,
B. NARAYANASWAMI IYENGAR,
Offg. *Secretary to Government,*
Development Departments.

THE MYSORE COTTON GINNING AND PRESSING FACTORIES RULES, 1930.

In exercise of the powers conferred by Section 12 of the Regulation to provide for the better regulation of Cotton Ginning and Cotton Pressing Factories (VI of 1929), the Government of Mysore are pleased to make the following rules namely :—

Short title.

1. These rules may be called the Mysore Cotton Ginning and Pressing Factories Rules, 1930, and shall come into force on the 1st day of March 1931.

Definitions.

2. In these rules 'Regulation' means the Regulation to provide for the better regulation of Cotton Ginning and Cotton Pressing Factories 1929, and 'Section' means a section of the said Regulation.

Form of Registers, etc.

3. (i) The Ginning Register under sub-section (1) of Section 3 shall be maintained in the form of Schedule A hereto.

(ii) The Press Register under sub-section (1) of Section (3) shall be maintained in the form of Schedule B hereto.

(iii) The weekly returns of bales of cotton pressed, under Section 5, shall be submitted in the form of Schedule C hereto.

Power to examine registers.

4. The District Magistrate, Inspector of Factories or any officer specially empowered by the Government to enter and inspect Cotton Ginning or Cotton Pressing Factories may, when making such inspection, examine the registers mentioned in Rule 3 and test the accuracy of the entries therein made.

Returns under Section 5.

5. (i) The returns under Section 5 shall be submitted to the Chief Inspector of Factories.

(ii) Such returns shall be for the seven days ending on the Friday of each week and shall be posted not later than the following day. The first return shall be for the week ending the first Friday in April 1931.

(iii) When a pressing factory finally ceases work for the season, a statement to that effect shall be made in the last weekly return.

6. The owner or lessee of every cotton pressing factory shall apply to the Chief Inspector of Factories for the allotment of the special mark required by section 4 to be used for such factory. Such application shall be made in the case of factories in existence at the commencement of these rules, on or before the 15th March 1931, and in case of factories constructed thereafter, not less than one month before work commences in the factory;

Provided that the authority aforesaid may at any time allot a special mark to be used in a factory in respect of which no application has been made and may intimate the allotment to the owner of such factory.

Special mark.

7. (1) The special mark allotted to each factory shall consist of letters denoting the State together with a number denoting the factory.

(2) The letters denoting the State shall be 'MY.'

(3) The numbers denoting the factory shall run consecutively.

Marks not transferable.

8. No special mark once allotted shall be transferred to another factory.

9. The serial number shall consist of two parts separated by a star. The first part consist of two numerals being the last two integers of the calendar year in which the on year has commenced and the second part shall be the running number of the bale ording to the press factory register. A new series of running numbers shall be started at e commencement of each cotton year. The cotton year shall commence on the first day September in each calendar year and shall terminate on the thirty-first day of August xt following.

10. On and after the 1st April 1931, every bale of cotton pressed in a cotton pressing factory shall be marked in the following manner:—

(1) The Special Mark and the Serial Number shall be in English figures and letters and shall be clearly decipherable.

(3) If the Special Mark and the Serial Number are stencilled in ink, they shall be stencilled on the lashed side of the bale.

(3) The stencilling of the Special Mark and the Serial Number on an end hessain or on unlashed side of a bale shall not be deemed to fulfil the requirements of this rule.

The factory mark shall be separated from the serial number by a star, and the following order shall be observed:—

Letter denoting State—number denoting factory—Star numerals denoting cotton year—Star-running number of bale.

11. The statements to be compiled under sub-section (2) of Section 5 shall be published weekly in the Mysore Gazette in the form of Schedule D hereto.

Compilation and publication of returns.

12. All weighments of kapas or ginned cotton and pressed cotton shall be made in avoirdupois pounds. The actual weights used for weighment may be pounds or the following multiples of pounds:

Weights to be used.

2, 4, 7, 14, 28, 56 and 112 pounds.

The entries in the registers of the factory and in the prescribed returns may be made,—

(*a*) for kapas or ginned cotton, in avoirdupois pounds.

(*b*) for pressed cotton, in bales of 392 pounds net of cotton exclusive of packing.

13. (i) No scales or weighing apparatus shall be used in any cotton ginning or cotton pressing factory for the purpose of weighing kapas or ginned cotton, pressed bales or any other cotton unless they have been certified by inspectors appointed or authorised by the Government under Rule 14 and unless they are stamped by the said Inspectors in the manner prescribed by the Government in that behalf.

Scales to be used.

(ii) Every such scale or weighing apparatus shall be re-tested at least once a year by the Inspectors appointed or authorised by the Government under Rule 14.

14. (i) The inspection of scales, weighing apparatus and weights to be used in cotton ginning and cotton pressing factories shall be made by inspectors appointed or authorised by the Government for the purpose.

Inspectors.

(ii) Every such inspector shall certify or test the accuracy of the every such weighing apparatus or weight brought to him for certification or test. He shall scale, also stamp the same in such manner as Government may prescribe.

15. The Inspectors appointed or authorised under Rule 14 shall be supplied with standard weights by the Government and every owner of a cotton ginning or cotton pressing factory shall, at all reasonable times, give every such inspector free access to all parts of his factory for the purpose of discovering or inspecting the scales, weighing apparatus and weights in use therein add comparing the weights with the standard weights supplied to the Inspector.

Owners of factories to give facilities for inspection.

16. The prescribed authority for the purposes of Sections 7 and 8 and sub-sections 1, 2 and 4 of Section 9 shall be the Chief Inspector of Factories.

Authorities for the purposes of Sections 7 and 8.

17. The District Magistrate, the Chief Inspector of Factories or other officer specially empowered in this behalf by the Government may, at any time during the usual working hours, enter any cotton ginning or cotton pressing factory and may make such inspection of the premises and of any prescribed registers as he may deem necessary for the purpose of the Regulation and of any rules made thereunder.

Power to enter and inspect factories.

18. The owner of every pressing factory shall exhibit in a conspicuous place a no
Press mark to be exhibited. showing the mark allotted to the factory under Section 1
the Regulation.

No. D. 4908—*T. C.* 21-29-2, *dated 5th November* 1930.

The Government of His Highness the Maharaja of Mysore, desire to give wide publi to the fact that the Trade Commissioner for Mysore in London has his Office in Gra Buildings, Trafalgar Square, London W. C. 2. The Trade Commissioner for Mysore h facilities for collecting intelligence at first hand and is thus in an advantageous position supply valuable information in respect of business enquiries and trade matters genera and assist manufacturers and exporters in the State to get into touch with European markets and commercial and industrial institutions. Government hereby notify that merchants, manufacturers, businessmen and commercial bodies in the State may apply to the Trade Commissioner for Mysore in London for such intelligence or assistance as they may require

Applications should clearly specify :—

(1) The purpose for which the information is wanted, and the particular points on which it is sought.

(2) Full details of Mysore goods or manufactures for which business connections are sought such as quantities, grades, prices, etc.

As it is possible that much of the information required may be already in the possession of the Department of Industries and Commerce, applicants are requested to apply to the Director of Industries and Commerce in the first instance; a discussion with that Officer might simplify the points on which it is necessary to address enquiries to the Trade Commissioner.

By Order,
B. NARAYANASWAMI IYENGAR,
Offg. *Secretary to Government,*
